Pearl & Coaches:

Whoo-whooh, whooh-whooh - nobody can do it like a steam train.

Whoo-whooh, whooh-whooh - everybody's waiting for their dream train.

Pearl:

I'll know him when I see him  
For long before I see him  
I will hear the far off signal  
I will hear the Distant call  
And then he'll whistle at me.  
He'll send a not and woo me.  
He'll whistle at me,  
I'm gonna hitch him to me.  
Some day soon he'll whistle at me,  
That's how I'll recognise him  
And maybe I will whistle at him -  
That should surprise him.

Don't give me insistent humming,  
Horns and bells and distant drumming,  
I want steam that's under pressure  
As it rises to a scream,  
Somebody whistle at me,  
I'm all anticipation.  
I need someone to whistle at me,  
I'm waiting at the station.  
Come on, someone whistle at me,  
I'm longing to be near him.  
I need someone to whistle at me -  
I'll know him when I hear him.

He'll whistle at me.
