Pearl:

I guess Iâ€™m not too good at keeping love alive for long.

I think Iâ€™ve found the answer but the answerâ€™s always wrong.

My first love was my true love and it should have been my last.

The only time Iâ€™m happy â€™s when Iâ€™m dreaming in the past.

REFRAIN:

Next time you fall in love
it better be with me ,
the way it used to be
back then was when
we touched the Starlight

Sometimes you turn away from what your heart tells
you is right
and so you settle for whatever gets you through the
night.

The flame you thought was dead may suddenly begin
to burn
and broken hearts can be repaired , thatâ€™s something
that you learn.

Rusty:

Iâ€™ve re-lived every moment that I ever shared with
you.

What fools we were to end a dream that looked like
coming true.

Next time you fall in love
it better be with me
the way it used to be

Pearl&Rusty;:

Back then was when
we touched the Starlight
