Poppa:Everybody c'mon, clap your hands, let's have a good time!
All:There's a light at the end of the tunnel
There's a light at the end of the tunnel
The inside might be as black as the night
But at the end of the tunnel there's a light.
I'm just the fastest thing you'll ever see
That streak of lightning you just missed was me
Don't stop now - we gotta keep it going all night.
There's a light at the end of the tunnel
There's a light at the end of the tunnel
A litta locomotion - That's what we need
If we are ever gonna Get up speed.
From the Eastern ocean To the Western sea,
Locomotion's gonna carry me.
Whoo-whoohoo, whoohoo
Nobody can do it like a steam train.
Whoo-whoohoo, whoohoo
Once upon a time there was a dream train.
Freight is great.
Freight is great.
We carry weight
Cos we are freight
And freight is great.
AC/DC it's OK by me.
I can switch and change my frequency.
See me hustle, feel my muscle,
Pumping Iron!
Trying to build my body,
Trying to lose my mind.
There's a light, there's a light
We can see the light.
There's a light, there's a light
We can see the light.
There's a light, there's a light
We can see the light.
At the end of the tunnel
I wasn't in the right place at the right time.
Didn't have the rhythm.
Didn't have the rhyme.
Rockies:Lead to the left,
box to the right
The Rockies in the house we're here tonight.
R.O.C.K.I.E.S.
Put your hands together, you know we're the best.
Check it out - boy.
All:The sound too loud.
The lights too bright.
My chains are too heavy
And my pants are too tight.
One Rock'n'Roll too many
Takes its toll out of you.
Poppa:There's a light at the end of the tunnel.
All:Crazy, can you believe him
He's crazy, love him or leave him,
He's crazy, goin' crazy, goin' crazy.
Soon the pistons will be humming
Steam will have a second coming
Whoo-whoohoo
We see the light at the end of the tunnel
We see the light at the end of the tunnel
So let the water boil - goodbye to oil
At the end of the tunnel there's a light.
We saw light at the end of the tunnel
(we see the light)
We saw light at the end of the tunnel
(we see the light)
When the Angel Gabriel blows his magic toot
We saw light at the end of the tunnel
(we see the light)
We saw light at the end of the tunnel
(we see the light)
We see the distant gleam

that tells us it's steam
At the end of the tunnel there's a
light:STARLIGHT!
