I'm at the end and  
Ghost in my sight  
The likes of who can take me through  
And deliver me tonight  
I'll drink the water  
I'll waste the trail  
But most of all I'll face the wall  
When I learn to tell the tale

I'll drink the water  
I'll drink the water  
And we are  
And the way we've come so far  
And I've seen  
How you waste your time on me

I'll waste the farewell  
I'm forced to say  
The poisoning that makes you sain  
Was coming back my way  
I'm in the dust of  
Someone to sell  
No matter how you treat me now  
I've got nothing left to tell

I'll drink the water  
I'll drink the water  
And we are  
And the way we've come so far  
And I've seen  
How you waste your time on me  
Waste your time on me

I'm in the dust of, I'm in the dust of  
I'm in the dust of, I'm in the dust of  
I'm in, I'm in, I'm in, I'm in  
I'm in the dust of, I'm in the dust of

I'll drink the water  
I'll drink the water  
And we are

And the way we've come so far  
And I've seen  
How you waste your time on me  
Waste your time on me  
When you waste your time on me...

Shes alone and she's checking in sane room...
