Call out the instigator  
Because there's something in the air  
We've got to get together sooner or later  
Because the revolution's here

And you know it's right  
And you know that it's right  
We've just got to get it together  
We've just got to get it together now

Lock up the streets and houses  
Because there's something in the air  
We've got to get together sooner or later  
Because the revolution's here

And you know it's right  
And you know that it's right  
We've just got to get it together  
We've just got to get it together now

And you know it's right  
And you know that it's right  
We've just got to get it together  
We've just got to get it together now

Hand out the arms and ammo  
We're going to blast our way through here  
We've got to get together sooner or later  
Because the revolution's here

And you know it's right  
And you know that it's right  
We've just got to get it together  
We've just got to get it together now

And you know that it's right...
