Everybody's thinking I would never be the kind of guy  
to fall in love  
Anybody making plans with another wouldn't be what in  
thinking of  
But now I'm heading to a feeling (Don't stop me now)  
I may have changed my point of view (Don't let me  
down)  
I don't know what it is  
I just can't stop thinking of you, it's true

*[Chorus 1]*

Baby I would love ya to  
I'd Love ya to  
Love ya to, Be my baby  
Love ya to  
I'd Love ya to  
Love ya to, Be my baby.  
Love ya to be,  
Love ya to be, my baby

Everybody's thinking I would never be the kind of guy  
to get too far  
With the weight of the world I guess I never really  
Thought I'd get to where you are

But I may have underestimated (Don't stop me now)  
Gave me look that said I do (Don't let me down)  
Now I know what it's like to see all my  
Dreams coming true, with you

*[CHORUS]*

(Be my be my babyÂ...Oh yeah)  
(Be my be my babyÂ...Oh yeah)

*[REPEAT CHORUSx2]*
