You bring me love (babyÂ...)
You bring me love (baby yeah yeahÂ...)

Baby don't you know that I've been thinkin' 'bout ya
Day and night all the time
You make me feel so right I can't live without ya
Don't know what I would do
Baby without you

[CHORUS]

(Baby Baby BabyÂ...)
You bring me love
Like the sun on the brightest day
You shine a ray of light on my heart
I like what you do and I'm always going to cherish you
You bring me love bring me love

For this love your to blame I need you so badly
A feeling I can't contain
I don't want someone else no one else is good enough
Don't know what I would do baby without you

[CHORUS]

Bring me love
Bring me love
Bring me love
Bring me love

(Baby Baby BabyÂ...)
You bring me love
Like the sunÂ...
You bring me love
Bring me loveÂ...

You bring me love
Like the sunÂ...
You bring me love
Bring me loveÂ...

(Baby Baby BabyÂ...)

[CHORUS]

(Baby Baby BabyÂ...)
You bring me love
Bring me loveÂ...

You bring me love
Bring me loveÂ...

(Baby Baby BabyÂ...)
You bring me love
Bring me loveÂ...

You bring me love
Bring me loveÂ...
