Love me baby with emotions  
baby love me with devotion  
I see tenderness in you eyes  
it's a feeling that you can't disguise.

Love me baby  
baby love me  
in the starlight in the moonlight  
love me like a flower loves the sun  
love me every moment from now on.

Only yesterday I was lonely in a bar  
playing spanish music on my spanish guitar  
then you walked in girl looking like a movie star  
now that we're together please don't love me from a-  
far.

Love me baby with affection  
baby love me to perfection  
love me like a breeze loves to play  
blowing through the leaves a summer day.

Love me baby  
baby love me  
love me truly love me dearly  
love me like green grass loves the rain  
love me like a night-fly loves the flame.

Sweetly love me sweetly  
gently love me gently  
only love me only.

Love me baby with emotion  
...

Love me baby  
love me  
love me even when I'm crazy  
love me when I sing and when I dance  
love me like young lovers love in France.

Lucky lucky me found a honey girl like you

all I do is love you turn into honey dew  
sunlight in your eyes don't you feel the same way too  
now that we're together you love me and I'll love you.

Love me gladly love me madly  
don't you tease me come on squeeze me  
love me all the day and all the night  
love me like a man should love his wife.

Love me baby with emotion
