Seven lonely days  
make one lonely week.  
Seven lonely nights  
make one lonely me.  
Ever since the time  
you told me you were through.  
Seven lonely days  
I cried and cried for you.

Oh  
my darling

I'm crying  
boo  
boo  
hoo  
hoo.  
There's no use in denying  
I cried for you.  
It was your favourite pastime  
making me blue.  
Last week was the last time  
I cried for you.

Seven hankies blue  
I filled it with my tears.  
Seven letters too  
I filled it with my fears.  
Guess it never pays  
to make your lover blue.

Seven lonely days  
I cried and cried for you.  
Oh  
my darling

you're crying  
boo  
boo  
hoo  
hoo.

It's too late in denying  
to start a-new.  
From the one you'll meet me  
with someone new.  
Last week was the last time  
I cried for you.

Seven lonely days  
make one lonely week

...

ight

tonight is our night.
