Running up and down my street, spinning bottles where  
did we meet? I don't know  
Did we meet at the park? You know that place was  
always fun at dark. And now I know  
Now I know that I am from a place I hope will never  
change  
9th Street please stay the same  
Cuz when I see that certain face again, it brings me  
back in time  
My friends, yeah, they are mine  
Running up and down 9th Street, breaking bottles  
where did we meet? I don't know  
Did we meet at the bar? You know that place I shouldn't  
drive my car
