We were lovers, we were kissers
We were holders of hands; we were make-believers
just losing time
You said you'd rather live in T.V. land and then say that
you can but you don't
That's heartless and I will not cry

But I'm still in love
And I'm still in love... [3x]

You're dreams of acting on screen. What do they
mean?
You'll be dancing senseless in your bedroom and
You find yourself out of a job and before too long
You'll be selling lemonade to the overpaid

And I'm still in love... [5x]

I remember it was summer; I was out of my head but
you would
You're selfish and a waste of space

But I'm still in love
And I'm still in love... [6x]
