Mrs. Frank died of starvation
In Auschwitz
Mr. van Daan was gassed
Peter was carried off with the SS
When the approach of the Russians
Forced the Germans to evacuate Auschwitz

Mr. Dussel died in Neuengamme
In late October
Margot and Anne were deported to Germany
To the Cocentration Camp
This camp was packed with prisoners of other camps

Anne and Margot, they both came down
With typhus
They died within a short time of each other
In March '45
They died in March '45

Mrs. von Daan also died
In Bergen-Belsen
Mr. Frank was liberated from Auschwitz
He was liberated by Russian troops

But the others
The others died
They died
