Uptown, on the block where I come from  
We got nothing but love  
Where ya'll at put your hands in the air  
And get on up now  
Shout out all my girls round the way  
And the good times back in the day  
On Jackson avenue

Back in the day  
On the block we'd be playing handball  
Till the street lights came on  
Planet rock on the radio  
Phat laces and shell toes  
Kool Moe Dee and Krs 1  
They had us bouncing like  
Abcandlmnop cause I want you  
Supersonic motivating rhymes on the corner  
South Bronx, south Bronx

Uptown on the block where I come from  
We got nothing but love  
Where ya'll at put your hands in the air  
And get on up now  
Shout out all my girls round the way  
And the good times back in the day  
On Jackson Avenue

B-Boys round the way they  
be calling our names  
Trying to get us to freak in the hall  
Meanwhile my girls keep it fly  
Our sergios creased and tight  
You know we don't give em no play at all  
But they keep sayin' sayin'  
Que tu quiere Mami let me know cause I want you  
Pops is working late so do you want to come over  
Then its' never too much  
Never too much  
Playing all night long

Uptown,  
on the block where I come from

We got nothing but love  
Where ya'll at  
Put your hands in the air and get on up now  
Shout out all my girls round the way  
And the good times back in the day  
On Jackson avenue

I remember the day  
This crew called Rock steady would play  
Red alert would spend them old 45's  
And all the crews would come down  
From the other side of town  
Just to hear the MC roc the mic right  
They say it to you  
All the people on the side let me see you slide  
All the people in the middle let me see you wiggle  
All the people up top let me see you rock  
Everybody in da house say whoooa, whoa

Uptown,  
on the block where I come from  
We got nothing but love  
Where ya'll at  
Put your hands in the air and get on up now  
Shout out all my girls round the way  
And the good times back in the day  
On Jackson avenue

Uptown,  
on the block where I come from  
We got nothing but love  
Where ya'll at  
Put your hands in the air and get on up now  
Shout out all my girls round the way  
And the good times back in the day  
On Jackson avenue
