Caught up in the 9 to 5  
Another day of work and pay  
Everybody's always running  
I'm about to go and find somewhere  
Anywhere that's out of here

Boss is on my back again  
The bakers got to bake his bread  
So much to demand with so little for supply  
I just wanna spread my wings and fly

I wanna feel the sunshine  
Wanna take my own time  
Live every moment with the wind in my hair  
Dance to my own drum  
Take a chance and have some fun  
Oh Yeah

Friday got my paycheck and I'm still broke  
My money's kind of funny but its no joke  
Everybody moves so slowly when I'm ready to run  
I'm about to go and find somewhere  
anywhere that's outta here  
Credit card is past due  
And I'm about to go and max it  
I don't want to be a victim of dusty blues  
So I'm gonna buy some shoes and take me a little  
cruise  
Cause I

I wanna feel the sunshine  
Wanna take my own time  
Live every moment with the wind in my hair (  
Dance to my own drum  
Take a chance and have some fun  
Oh Yeah

I wanna make my own rules  
Wanna be my own fool  
Live every moment like I'm outta my head  
I wanna sing my own song  
sing it to you all day long

Oh yeah

I wanna make my own rules  
Wanna be my own fool  
Live every moment like IÂ'm outta my head  
I wanna sing my own song  
sing it to you all day long
