I wanna be better than oxygen  
So you can breathe when you're drowning and weak  
in the knees  
I wanna speak louder than Ritalin  
For all the children  
Who think that they've got a disease  
I wanna be cooler than TV  
For all the kids  
That are wonderin' what they're gonna be  
We can be stronger than bombs if you're singing  
along and you know that you really believe  
We can be richer than industry as long  
as we know that there's things that  
We don't really need  
We can speak louder than ignorance  
cause we speak in silence  
Everytime our eyes meet

On and on and on it goes  
The world just keeps on spinning  
Until I'm dizzy time to breathe  
So close my eyes and start again

I wanna see through all the lies of society  
To the reality  
Happiness is at stake  
I wanna hold up my head with dignity  
Proud of a life where to give means more than to take  
I wanna live beyond the modern mentality  
Where paper is all that you're taught to create  
Do you remember the forgotten America  
Justice equality, freedom to every race  
Just need to get past all the lies and hypocrisy  
Makeup and hair to the truth, behind every face  
that look around to all the people you see  
How many of them are happy and free

We can be richer than industry as long  
as we know that there's things that  
We don't really need  
We can speak louder than ignorance  
cause we speak in silence

Everytime our eyes meet

On and on and on it goes  
The world just keeps on spinning  
Until I Â'm dizzy time to breathe  
So close my eyes and start again anew

If IÂ'm afraid to catch a dream  
I weave your baskets and IÂ'll float them down the river  
stream  
Each one I weave with words  
I speak to carry a love to your relief

If IÂ'm afraid to catch a dream  
I weave your baskets and I float them down the river  
stream  
Each one I weave with words  
I speak to carry a love to your relief

On and on and on it goes  
The world just keeps on spinning  
Until I Â'm dizzy time to breathe  
So close my eyes and start again

On and on and on it goes  
The world just keeps on spinning  
Until I Â'm dizzy time to breathe  
So close my eyes and start again anew
