I had a hell of a night  
You know two wrongs don't make a right  
But I have to confess:  
I couldn't care less, care less, care less  
Oh no, I have to explain  
I've told you time and time again  
What I say and what I mean  
Are two different things, oh yes they are, all right yeah  
All right, all right, all right yeah  
Gimme love, gimme love tonight, yeah  
All right, all right, all right, yeah  
Gimme love, gimme love, gimme lo-o-ove, yeah  
tonight  
I say please, please listen  
She says "okay, on one condition:  
Promise me that you'll possibly  
Though you probably won't"  
Oh yes I will, oh no you won't, oh yes I will, oh no I  
Want what you got  
And here I come, ready or not  
I'm sorry to put you in a spot  
But you make me so...hot!  
All right, all right, all right yeah  
Gimme love, gimme love tonight yeah  
All right, all right, all right yeah  
Gimme love, gimme love, gimme lo-o-ove, yeah  
tonight  
Just give me one good reason to love you  
Just give me one good reason, and I'll be there  
Just give me one good reason to leave you  
Just give me one good reason to despair...  
Yeah, yeah, yeah....  
All right, all right, all right yeah  
Gimme love, gimme love tonight yeah  
All right, all right, all right yeah  
Gimme love, gimme love, gimme lo-o-ove, yeah  
tonight  
Just give me one good reason to love you  
Just give me one good reason, and I'll be there  
Just give me one good reason to leave you  
Just give me one good reason to despair
