She's insane
living on a different plane
spinning til she dizzy again
just look at her go - fizz-pop-whizz-bang!
She's obsessed
you can tell by the way she's dressed
what she want is anybody's guess
she lives in a dream, oh she
[chorus 1:]
can't see the forest for the trees
can't see the water for the stormy seas
she don't understand, she got a one track mind
A one track mind
deep in your heart, there are some parts
sharing her loneliness
whoa-oh-oh
sleep(?) for desire, love is for hire
all she thinks about is sex
One track mind...
There he goes
following the end of his nose
he's following her on tippy-toes
oh just watch him go - fizz-pop-whizz-bang!
One of the few
possesses a very loose ?
I'm(?) only good(?), one part of you
he thinks he's my broges(?)
[chorus 2:]
can't see the forest for the trees
can't see the water for the stormy seas
He don't understand, he got a one track mind
A one track mind
deep in their hearts, there are some parts
sharing their loneliness
whoa-oh-oh
shake and define, there is no line
this is one hell of a mess
whoa-oh-oh
live for desire, love is for hire
all they think about is sex
One track mind...
One track mind...

One of a kind, clearly defined, one track mind
She got a one, one, one track mind
It's spinning around, lost and found, one track mind
A one track mind, a one track mind, a one track mind, a
one track mind.
A one track mind.
