"Chase You Down"

I think I'm finally ready to let go of everything
and follow you to the end.
To hold you and not pretend that
I can do this all alone,
that I can stand here on my own,
that I can do this all alone.
I need you now, more than ever.
I won't back down, I'm yours forever.
I'll stand my ground, its now or never.
I'll chase you down.
This time I'm standing steady.
I'm running this race to win
cause nothing is for keeps.
To promise and not give in,
with anything to chose
and everything to lose, I choose you.
More than I ever could have imagined.
More than I ever, ever imagined.
