My friends keep calling - OMGD (Oh My Gosh Dude)
I can't take it no more - LMA (leave me alone) please
I let it go straight to my VM (Voice Mail)
Text 'em TTYL (Talk To You Later) - NITM (Not In the
Mood)

Got a lot to say and no time to say it
Everybody wants to talk but I'm not feeling it
No one can understand, Letters are all I need
So - try to catch up with me - Yeah!

YOU'RE BREAKING UP - YOU'RE BREAKING UP
NOW I'M HANGIN' UP
I CHOP IT UP - I CHOP IT UP
I'M LAUGHIN' OUT LOUD
IF YOU WANNA SAY SOMETHING
IT'S TEXT OR NOTHING
I LET MY FINGERS DO THE TALK TALK TALKING

MEH SAY LO LO LO LO LOL
MEH SAY LOLOLOLOLOLOLOL
MEH SAY LO LO LO LO LOL

TFBS (two-faced back stabber) FYI (for your
information)
BTW (by the way) ILYLAS (I love you like a sister)
Wish I could BRT (be right there)
SWK (Sealed With a Kiss) XOXO GTG (got to go)
Latazzzzzz

I'm LOL (laughing out loud) at you - can't you read it
You say WAM (Wait a Minute) but i don't slow down
IDB - (I'm Da Beast) - no time to waste
You say GKR (Go Kick Rocks), WGO (What's Goin' On)
I Thought we were BFFS (Best Friends Forever)

Got a lot to say and no time to say it
Everybody wants to talk but I'm not feeling it
No one can understand, Letters are all I need
So - try to catch up with me - Yeah!
