Inside your eyes
We swim, though we agree
Inside your mind
We ride as long we agree
Slightly pierced but torn off, dying
His mother smells the [...] lying
We went away to find a day
Inside a pink haze
I caught you say, the second day
That's stuck in your face
Inside your eyes
We swim, though we agree
Inside your mind
We ride as long we agree
Slightly pierced but torn off, dying
His mother smells the [...] lying
We went away to find a day
Inside a pink haze
I caught you say, the second day
That's stuck in your face
Slightly pierced but torn off, dying
His mother smells the [...] lying
We went away to find a day
Inside a pink haze
I caught you say, the second day
That's stuck in your face
We went away to find a day
Inside a pink haze
I caught you say, the second day
Is stuck in your face
