Sky, the sonic atmosphere
Longer light than year
Over the sun
Dancing in the air
Moving down the stair
Moon, talking to a cloud
Screaming far too loud
To the star
Living high above
He dreams away
Through clouds behind the moon
Fall, water's holy land
Since he understand
Into the deep, sinking down below
He dreams away
Through clouds behind the moon
His silent dream
To catch the starfilled [...]
Sky, sonic atmosphere
Longer light than year
Over the sun
Dancing in the air
Moving down the stair
To the moon
Talking to a cloud
Screaming far to loud
To the star
Living high above
Warm and dizzy love, but
