Ahhh! I love a girl,  
But the girl's fuck 'bout me.  
Oh I'm so cute,  
Oh baby can't you see.  
I have fully blue eyes.  
And I've full blond hair.  
Oh they call me the king,  
Oh baby I don't care.  
So get my thing grow 'n feel,  
They cannot feel the heat.  
Oh I'm able to give.  
And I am so peacefully.  
Oh baby, baby,  
Oh take my love for serious.  
And do you believe it's furious!

And don't ha, ha! Heewaa, heewaa! So come on, come on, come on!

Ahhh! I go to a house,  
Where I am so full of flowers.  
To convince the chickens  
And my love is full of powers.  
I ring the bell and  
Whose mother's at the door?  
I said: "Hello Mam!  
Your daughter here that I adore?"  
Ah she looks at me  
And starts to cry out.  
She said: "Hey little MC!"  
She knows me,  
I should better stop.  
"Oh, my goodness!"  
"You're that stupid dumb ass!"  
Do you're really such a hull of ever sex?

Ha, ha, ha, ha! Heewaa, heewaa! So come on, come on, come on!

The world is so cruel,  
Now here is my revenge.  
I won't make such a mess again.  
So I go out to Bobbies ranch.  
Round 'n round 'n round me,  
No one book a bunny.  
Quickly into there,  
Step in, you are funny.  
So, why I should do that?  
'cause I'm there to be met.  
And if sees it,  
she would have had.  
I'm her little lover.  
Now I'm undercover.  
I met my baby with Michael Buffer!

Ha, ha, ha, ha! Heewaa, heewaa! So come on, come on, come on!
