MY ARMS ARE OPEN WIDE

(Album:Sandra Pires)

How should I have lived
without your arms to hold me
coming home and noone say hello
should I have laughed - cried -
or wished I had never left you
now I need to let you know
the healing must begin
It's time to say we're sorry -
It's time to find a way
and break the wall of pride

my arms are open wide
does anybody miss me
cos I'm drifting with no destiny at all
and my arms are open wide
and want you back forever
so I'm hoping that you will hear my call

wish that you could hear me now
before we turn into strangers to our love
and drift away too far
it's up to you and me
to put up the blame aside and
only listen to our hearts
the healing must begin
It's time to end the silence
it's time to find a way
and break the wall of pride

my arms are open wide
does anybody miss me
cos I'm drifting with no destiny at all
and my arms are open wide
and want you back forever
so I'm hoping that you will hear my call

they can say that our love is bound to vanish
it'll soon just fade
but I don't want to believe this
I'm ready to forgive

and start again tonight

my arms are open wide
does anybody miss me
cos Iâ€™m drifting with no destiny at all
and my arms are open wide
and want you back forever
so Iâ€™m hoping that you will hear my call
