Never thought I would have the chance to be
This opportunity came and rescued me
Now the doors are open and I have to walk through
The fun has started thanks to you

CHORUS:

This is my ticket out of here
And this is my favorite part of the year
We had some hard times that we got through
Now its time to start a new

Were movin fast and the same time slow
Another day another show
Weve climbed some hills but theres more up ahead
I know we have the boots for the tread
