

Spend The Night "Forget"

your keeping me up, time (your wasting my time)

all you care about is yourself

(or is that me)

what do you want, (oh what do you want from me)

what am i doing wrong?
is there any hope in tomorrow?

what is it going to take?

ill try and screw this up some

may i screw this up some more?
i sit here and waste my breath

while i am threatened by your words, (but I can't take
this anymore)

ill just go unnoticed once again with you on my back

digging through the top of my skin
(so run, just run, As fast as you can , So you could
never look back, You know you'd never look back)

so run, I'll run, as fast as i can ... so i could never look
back .. You know I'd never look back

(so run, just run, As fast as you can , So you could
never look back, I know you'd never look back)
have I missed the point of this ?

I've traveled to far to turn back now, to come right out

And say I'm sorry..

.. Admit I was wrong

i wanna come back home
forget the past (forget the past)

Can we try to start over? .

let me have a second chance (one more chance)

please forget the past

(can we try), can i try, (once more shot), here we go,

(once more shot)

please forget the past, (forget the past), can we try

(can i try) one more shot one more shot here we go.

(so run, just run, As fast as you can , so you could

never look back)
