Gouge out your eyes  
Pull your heart to the floor  
With my heart, my skin, my kiss  
Stand back, drop to your knees,  
I'll stand back as you bleed  
My heart, my skin, my kiss

This blade, it feels so cold,  
Baby hold me while I'm shaking  
This knife has pierced my soul  
I sit alone while I'm shaking  
And yes I'll laught out for you  
With blind eyes, I'm shaking

Gouge out your eyes  
Pull your heart to the floor  
Sweetness loves me, takes me, hears me  
Stand back, drop to your knees,  
I'll stand back as you bleed  
Sweetness loves me, takes me, hears me

This blade, it feels so cold,  
Baby hold me while I'm shaking  
This knife has pierced my soul  
I sit alone while I'm shaking  
And yes I'll laught out for you  
With blind eyes  
I'm shaking

Gouge out your eyes  
Pull your heart to the floor  
My heart, my skin, my kiss  
Stand back, drop to your knees,  
I'll stand back as you bleed  
Sweetness loves me, takes me, hears me

Wait for them, to come on in and take you  
Away from me again  
Wait for them, to come on in and take you  
Black rose dying
