Who do you love
I wanna know, I wanna know
Who do you love
I wanna know, I wanna know

Where did you go
When you kissed me good-night
You didn't walk home
The same way you did last-night

Where did you go
I wanna know, I wanna know
Where did you go
I wanna know, I wanna know

You were dancing with me
But I saw you flirting with her
Were all the pretty words you whispered to me
meant for her, meant for her

So Tell me
Who do you love
I wanna know, I wanna know
Who do you love
I wanna know, I wanna know

Mama said you were bad (this repeats)
And I should leave you alone
You had a playboys reputation
With all the girls you know

So I got to know
Just where I belong
Am I just another girl
Are you leading me on, leading me on

So tell me
Who do you love
I wanna know, I wanna know
Who do you love
I wanna know I wanna know
REPEAT

FADE
