Don't give me Menudo or those Backstreet Boys
Color Me Badd never had their own toys
Debbie Gibson, well she had some good songs
But Tiffany was always kind of wrong
Who's your favorite New Kid On The Block?
Was it Donny, did he hit the spot?
Who's your favorite New Kid On The Block?
Tell me, tell me cause I'm hanging tough
Step by step you walked into my world
You could be my cover girl
I'm asking you girl, please don't go
You've got the right stuff, I'm telling you so
Who's your favorite New Kid On The Block?
Was it Donny, did he hit the spot?
Who's your favorite New Kid On The Block?
Tell me, tell me cause I'm hanging tough
Jordan had the coolest hair
Danny and Joey, well I think they were a pair
Donny had that certain spark
Just like his brother, Marky Mark
Who's your favorite New Kid On The Block?
Was it Donny, did he hit the spot?
Who's your favorite New Kid On The Block?
Tell me, tell me cause I'm hanging tough
Was it Danny?
Was it Donny?
Was it Jordan?
Or was it Joey?
Who's your favorite New Kid On The Block?
Was it Donny, did he hit the spot?
Who's your favorite New Kid On The Block?
Tell me, tell me cause I'm hanging tough . . .
