Feeling alright  
We're doing just fine  
We're doing alright tonight

Feeling alright  
We're doing just fine  
We're feeling alright tonight

Just listen to the radio  
Just listen to the sound it makes  
Just listen

Transmit your radio  
Respond if your alive  
Give me a sign of life  
I need to say to you, say to you  
I found the way to fight, one over all man kind

We're gonna take control  
Dancing is your weapon let your moves unfold  
Kill 'em with your steppin' we can win this war  
Its time to come together  
Now were stronger than we were before!

Tryin' to take our lives  
We will survive  
Runnin' out of time  
The world ends tonight unless we dance or die

Whoa-oh, dance or die

Transmit your radio  
Take back the night  
Dance for your right  
I'm on my way to you  
We can reunite  
And watch the sky ignite

They couldn't take the sound  
They fall harder when there bigger  
And they all crash down  
I wanna pull the trigger

We won this war  
Because we get together  
Made them wish that they were never born

Trying to take your lives  
you will survive  
look into my eyes  
don't say goodbye  
Gotta dance or die

Whoa-oh, dance or die

I know, I know, I know  
You're gonna be the best  
Dance or Die [x4]

Trying to take your lives  
but you will survive  
look into my eyes  
don't say goodbye  
You gotta dance or die

Whoa-oh, dance or die

1, 2, 3, 4 I declare a dance war  
5, 6, 7, 8 now we gonna celebrate
