'Cause All I've Every Really Wanted
Was Just To Get Out Of This Town.
And Get Away From Our Parents, Baby
Cause They Always Get Me Down.

And All I've Ever Really Wanted,
Was Just To Move Away With You.
And Fall In Love By The Beach, The Sun Is Shining.
I Think That You'd Like It Too.
Whoa..

Chorus:

I Love You, I Love You, I Love You, Whoa!
Nothing Can Change That Fact.
I Love You, I Love You, I Love You, Whoa!
And Every Time I Look In Your Eyes,
Nothing Can Change That.

'Cause All I've Ever Really Wanted,
Is Just To Sing This Song For You.
So You Can Know How I've Been Feeling Lately,
And I Think That You Like It Too.

Let's Get Away From Your Parents,
And I'll Get Away From My Own.
'Cause Where We're Going, Nothing Can Stop Us,
And I'll Never Leave You Alone.
Whoa Oh

Chorus:

I Love You, I Love You, I Love You, Whoa!
Nothing Can Change That Fact.
I Love You, I Love You, I Love You, Whoa!
And Every Time I Look In Your Eyes,

I Love You, I Love You, I Love You, Whoa!
Nothing Can Change That Fact.
I Love You, I Love You, I Love You, Whoa!
And Every Time I Look In Your Eyes,

I Never Want This To End, Never Want This To Slow.
And Every Time I Think, I Think That You Should Know,

How I Really Feel, How I Really Feel, How I Really Feel.

I Never Want This To End, Never Want This To Slow,
And Every Time I Think, I Think That You Should Know,
How I Really Feel, How I Really Feel,
How I, Feeeeeeeeeeeeeeeel.

Chorus:

I Love You, I Love You, I Love You, Whoa!
Nothing Can Change That Fact.
I Love You, I Love You, I Love You, Whoa!
And Every Time I Look In Your Eyes,

I Love You, I Love You, I Love You, Whoa!
Nothing Can Change That Fact.
I Love You, I Love You, I Love You, Whoa!
And Every Time I Look In Your Eyes,
Nothing Can Change That
