I wrote some songs cause i love her
Then played some shoes in the suburbs
It was the middle of summer in Texas
I was fellin pretty good then
Everything worked out at school then
I was fellin like a champ then, in summer

This, this could be the summer the summer of love
And this, this could be the summer when i grow up

I wanted to be just like him
He was just like all the cool kids
I wanted to wear what he wore in summer
I was fellin pretty good then
Everything worked out at school then
I was fellin like a champ then, in summer

Okay

This, this could be the summer the summer of love
And this, this could be the summer when i grow up
This, this could be the summer the summer of love
And this, this could be the summer when i grow up

Its never been like this
I am just starting over

Its never been like this(x2)
I am just starting over(x2)

This, this could be the summer the summer of love
And this, this could be the summer when i grow up
This, this could be the summer the summer of love
And this, this could be the summer when i grow up
This, this could be the summer the summer of love
And this, this could be the summer when i grow up
