Chorus:

Why not, why not, why not!
Man I told you I don't do that pot!
Why not, why not, why not!
Man I told you that I won't stop!

Verse 1:

Man I'm standin' on the corner poppin'
Got some the hottest girls Jersey ever seen
Rockin' some of the hottest brands niggas ever seen
Everyday a cop comes down my block
And what not
Split everything fifty, fifty
Get a drink and get real dissy
My people tell a tale of a lonely cell
But it ain't funny like Dave Chapelle
Syke na
I'm the hottest, but I remain unknown
When come around people get chilled to the bone
And when I play I'm like in the zone
So go home
Feel meeeey

Chorus:

Why not, why not, why not!
Man I told you I don't do that pot!
Why not, why not, why not!
Man I told you that I won't stop!

Verse 2:

I don't know what to be, only GOD knows
And since I love GOD, I pray for my foes
So basically I gotta stay on my toes
Man I'll tell I don't love these hoes

But eveybody knows that ima' keep my money
Cause' after this album I'll be the hottest known, yo
