VERSE1: Is it me or is it clear, Or are we too proud that
don't hear the, gentle voice in the air we, ignore. Cause
there's an end, to what's begun. we'll have to answer for
what we done, and if we think that day will never come,
it coming around.

Pre-Chorus: How soon we forget we come and go, in
spite of all we know... show us

Chorus: We're like children looking at the sun, gonna
lose our sight, when we believe our own ways are right.
We're like children looking at the sun, gonna lose our
sight, while the truth waits in candlelight.

Verse2: Today this world is so deceived, we all got see
before we believe like, a God in heaven is out of reach,
but we're dead wrong, cause there's a light that shines
for all, but the devil wants to hide it behind a wall just,
let it guide you and you won't fall. It's leading you home.

Pre-Chorus: How soon we forget we come and go, in
spite of all we know... show us

Chorus: We're like children looking at the sun, gonna
lose our sight, when we believe our own ways are right.
We're like children looking at the sun, gonna lose our
sight, while the truth waits in candlelight.

Bridge: Hey(x3) We're like a child that never wants to
obey. Oh but why, why should we wait. we got today to
trade or doubt in for faith.

Outro: After all It's all for you.
