These high flying super hero animals were just you'r
normal animals they slept all day ate cat and dog food
every day they would get pet by people and be loved
but every single day they would get a speacial call the
rats are on the run again we are on it is what the
animals siad so thes high flying super hero animals
were just normal animals saved the town from the evil
rats the rats are on the run run run there on the run run
run go stop the rats there just normal animals these
high flying animals the rat are on the run run run the
rats are on the run run run. they save the town these
super hero animals they save there town just normal
animals yeahhhhhhhhhhhhhhhhhhhhh!
