dead of night
the last remaining light
dies hollow before me

am i dead and gone
or will the hand of dawn
wake me from this reverie

sewn without seam
thy darkest dream
the truth is really
just the mystery

in pitch black
falling forward back
i met death my bride to be

in blank space
of this world erased
her eyes shown like galaxies

sewn without seam
thy darkest dream
the truth is really
just the mystery

weightless
through this black abyss
she leads me to the sea

with each kiss
deeper than a tryst
she gives her love to me

sewn without seam
thy darkest dream
the truth is really
just the mystery

shall in hell i rise
or in paradise
born again or ceased to be

as the black tide
folds us both inside
death my bride sings unto me

until you dream
the darkest dream
the truth is really
just the mystery
