I L-O-V-E M-Y L-I-P-S

I L-O-V-E M-Y Lips

I L-O-V-E M-Y L-I-P-S

I L-O-V-E M-Y Lips

If my lips ever left my mouth,
Packed a bag and headed south,
That'd be too bad, I'd be so sad.
If my lips said Adios,
I don't like you and I think you're gross.
That'd be too bad, I might get mad.x2

I L-O-V-E M-Y L-I-P-S

I L-O-V-E M-Y Lips

If my lips moved to Duluth
Left a mess and took my tooth.
That'd be too bad, I'd call my Dad.
That'd be too bad, I'd be so sad.
I might get mad and call my Dad.

Because I love my lips. x2

(i love my lips)

I L-O-V-E M-Y L-I-P-S

(i love my lips)

I L-O-V-E M-Y Lips

(phone rings)

Caleb: Ah! Hang on guys...Hello?

(Steven: Yeah! Caleb, hey its Dad, listen i heard you were trying to get a hold of me. Is something wrong with your lips?)

Caleb: Dad, my lips are fine. I'm in the studio right now just working on this song. Hold on just a second Dad.

On the day I got my tooth

I had to kiss my great-aunt Ruth

She had a beard (Steven: ha ha ha I remember that actually)

and it felt weird, (Steven: Yea that was kind of weird, wasn't it)

She had a beard and it felt weird,

(Steven: Actually wasn't that the Christmas you gave

her the razor?)

Because I love my lips. x2

Steven: Hey Caleb, I just stopped by. You know,
speaking of lips!
Did i ever tell you my story?

Ten days after I turned 8,
Got my lips stuck in a gate
My friends all laughedÂ...x2

Steven: And I just stood there until the fire department
came and broke the lock with a crowbar and I had to
spend the next six weeks in lip rehab with this kid
named Oscar who got stung by a bee right on the lip
and we couldn't even talk to each other until the fifth
week because both our lips were so swollen

Caleb: Dad!

Steven: and when he did....

Caleb: Dad! Ive heard this story like a million times.

Steven: Sorry!

I really love my lips. x2
I really really love my lips
