Sometimes I roam the night, I come home in the  
morning light  
I guess sometimes I get carried away  
You know me really good, I don't do what you think I  
should  
But somehow you know it's gonna be okay

I get lost sometimes, but you find me, I get lost  
sometimes (repeats 4x)

She wakes up to the telephone, come and drive your  
boyfriend home  
He gave us your number, he's feeling no pain  
The little girl she understands, she loves the boy inside  
the man  
Just hurry back to mama, back to mama she say

I get lost sometimes, but you find me, I get lost  
sometimes (repeats 4x)

She got magic - I know it  
She got magic - I know it

I get lost sometimes (I get lost sometimes)  
I get lost sometimes (I get lost sometimes)  
I get lost some, I get lost some, I get lost some - I get  
lost sometimes

I get lost sometimes, but you find me, I get lost  
sometimes (repeats out)
