I watch the clock - time ticks away  
I don't know if I can stay,  
I don't know how long I've been here today,

I don't know how I'll get home,  
I'll just walk home in the rain,  
I'll remember what I did - time spent with you

If I knew I would say the right words here...

It's a time that I can't spend today - I don't know what I  
should say,  
Never good with words I found - if I knew I'd turn  
around,  
I'd come back with you again - "C'est la'vie" they say in  
France,  
I'm going home,  
It's the dark side of my mind I find - that keeps me here  
with you,  
It's concise, it's here, I'm blind, I am fighting for you,  
I can't fight it any more, I'll give it up - I'll flee,  
'Cause I can't

Looking through my window at the sun,  
Wishing sun would shine in here,  
I don't know where I've been - but I'm never going back,  
I'll stay here for now - it's a picture I can see,  
I don't know where else to go - I can't stay anywhere  
else,

If I knew I would try to stay with you - but I can't,

It's a fight that I could never win - I am fighting for this  
love,  
If I tried I'd turn around - I would come back strong for  
you,

Can't speak French against all odds - I wish I could,  
Then I'd stay,  
I confused myself with someone else - can't even see  
myself these  
days,

I am so confused and lost - if I couldn't I would stay,  
You're the only thing I see - and it's all that stops me  
go,  
Otherwise I'd leave,

Feels like I'm in a Hitchcock film - it's all black and white  
to me,  
I can't see in colour - there's no need for me to,  
Everything in life is grey - there is nothing black and  
white,  
Overseas I'm flying - I can't stay here tonight,  
If I knew I didn't have to leave, I'd stay,

Everything here feels just like a game - like an album in  
a frame,  
We can't fight it any more - time is ticking past too fast,  
I've got skills but I can't use them - they are nothing to  
you,  
Or I'd fight - I'd try,  
I'd spent all my money keeping you but it's never been  
enough,  
It's a record attempt of love but at fighting I can't stop,  
If only I could say something that would make you stay  
the night,  
I'd be real - I'd be the winner of the fight
