You're just like the kid next door  
Still too gay and immature  
You always seem to wank aloud  
We don?t want you but you?re always found

Why do you come onto me (gay boy)  
So everyone can see (can see)  
You dead on live TV

Hey, Rowan, I love to say  
Just fucking go away  
Don't come back another day, OK

Hey, Rowan, I love to say  
Just fucking go away  
Don't come back another day, OK

What did you annoy me for  
Don't wanna be gay no more  
Why don?t you go get stoned  
So fuck off leave me alone

Why do you come onto me (gay boy)  
So everyone can see (can see)  
You dead on live TV

Hey, Rowan, I love to say  
Just fucking go away  
Don't come back another day, OK

Hey, Rowan, I love to say  
Just fucking go away  
Don't come back another day, OK

Hey, Rowan, I love to say  
Just fucking go away  
Don't come back another day, OK

Hey, Rowan, I love to say  
Just fucking go away  
Don't come back another day, OK
