[Chorus: Mr. Sancho]

This is Sancho's Dedication to you ladies uh  
To single mothers all alone raisin' babies uh  
To all the woman in the club who be shaking they butt's  
Don't be ashamed baby girl cause you livin' it up

[Verse 1]

I...dedicate this to you ladies  
Maybe baby daddy acting shady  
But you never know  
What your future's got in store  
And if you feel my flow  
I'm half away and feeling low  
Fo' sho, I know that's  
When it comes to interest  
You feel like nobody else loves you  
All your looking for is happiness  
Nevertheless, you must address  
Girl, think about your little one's  
And put your heart to the test  
Love is blind...but chillin' when things run wild  
Then you'll find...the birth of an unwanted child  
Just unwind...with a little bump n grind  
And then you'll find...for who you want in your life

[Chorus 2x]

[Verse 2]

He never loved you from the start  
You feel it deep in your heart  
Shed tears for these years that you spent in the dark  
No regrets, forget about the drama  
And the threats cause your blessed  
And now your mama answer and to them you'll always  
be the best  
So what you gonna do  
Are you gonna make your children proud  
Or are you gonna make them frown on you  
But you can make it through  
You just need to got out, socialize  
And let nobody to round on you

And to the mamas they can't help themselves  
Just found out they baby daddy locked away in jail  
Like my momma, I gave her all this drama  
Now I feel the karma  
My dad comes trippin' slangin' pounds of marijuana  
Wanna, but I, I gotta help myself  
Rather be out makin' a livin' then away in jail  
But can't you tell, this young thug prevails  
To a successful rap singer with some stories to sell, uh

[Chorus 2x]
