I'm Looking For A Girl  
Whose Got A Girlfriend,  
So They Can Both Be My Girlfriends,  
And We Can Get It On,  
You Can Do Your Thing,  
Then Switch It Up,  
So I Can Do My Thing Girl,  
Now Switch It Up

Now A Days,  
Girls Getting Kinda Freaky,  
Anything Goes,  
You Ain't Gotta Be Sneaky,  
You Like Girls,  
Yea, I Like Girls Too,  
But Baby It's Even Better,  
If It's Me Plus Two (Ugh),  
And Set It Up,  
And Fill Full Our Fantasies,  
And If It Feels Right,  
Then It's Meant To Be,  
You Ain't Gotta Be Shy,  
I'm The Type Of Guy,  
That's Open Minded,  
It's Hard To Find It,  
Aint No Jealousy On Mind,  
You Can Have Your Girl,  
You Can Take Your Time,  
Loves Blind  
I Just Want To Get It,  
Where I Fit In  
Baby Bring It Home To Daddy,  
You And Her Can Have Me,  
Cause I, Got Enough To Go Around,  
So I Call You When I'm In Town,  
No Time For Commitments,  
But It's Okay,  
Cause You And Your Girl  
Love When I'm Hittin' It.

I'm Looking For A Girl

Whose Got A Girlfriend,  
So They Can Both Be My Girlfriends,  
And We Can Get It On,  
You Can Do Your Thing,  
Then Switch It Up,  
So I Can Do My Thing Girl,  
Now Switch It Up

I Got A Lot Of Home Girls,  
You Know Me,  
Sexy Sancha, LPG  
Got What You Want,  
Got What You Need,  
You And Me And Her Makes Three  
Plus Some Weed And Some Drink  
I'm So Horny I Can't Think  
Watching This Is Fun,  
I'm Tingling Numb,  
Working My Girl To  
The Beat Of The Drum,  
Baby I'm Hot,  
Please Don't Stop,  
Pump A Little Faster,  
She's About To Pop,  
Now Let Me Get On Top,  
I Know My Spot,  
Don't Wanna Waste Time,  
Cause I Gotta Get Off,  
Don't Wanna Make Love,  
Show Me You're A Thug,  
We'll Take It From The Bed,  
To The Floor To The Tub,  
All Night Long,  
Let's Just Cut,  
Gangsta's Style,  
You Know What's Up.

I'm Looking For A Girl  
Whose Got A Girlfriend,  
So They Can Both Be My Girlfriends,  
And We Can Get It On,  
You Can Do Your Thing,  
Then Switch It Up,  
So I Can Do My Thing Girl,  
Now Switch It Up

I'm Looking For A Sexy Young Mami  
With A Girlfriend  
If Your Girl Feeling Left  
Tell Her To Join In  
Licking All The Way To My Back

Cause Your Body Yearnin'  
I Just Want To Love You All Night  
Till The Mornin  
Well It's Time To Put  
A Show On For Your Lady  
Gangsta Movie Positions  
It's So Amazing  
So Incredible  
The Way You Got  
Your Booty Shaking  
Let Your Lady Join In  
Cause She's Tired Of Waiting  
She's Pulling Me Up  
I'm Putting In Down  
Now Let These Mami's  
Have Their Own Space Now  
Now Let's Break It Up For A Little  
Let Me Slide Up In the Middle  
Yeah This Is How I Like It  
It's Just What I'm looking for  
So I'm Calling Out  
To All The Mami's  
That's Ready To Go
