Coming down again  
Feels about the same  
As when I lost my teeth  
Like words with letters in between

I fell into a hole  
With no memory of where I'd been  
When I finally figure out  
You'll be the first to know

Ooh

I wear it in my bones  
The skin I've worn off my knees  
A signal in my spine  
That tells me I'm asleep

Ooh

Hey Judas  
I'm a ghost now  
Can we talk  
Oh can't you hear me  
Well the truth is  
I'm alone now  
With the words  
You led me to believe

So call this a lesson  
Skin tastes better when it's burned  
So now I'll tell you how  
How to disappear

Ooh

Hey Judas  
I'm a ghost now  
Can we talk  
Oh can't you hear me  
Well the truth is  
I'm alone now  
With the words

You led me to believe

Ooh

Hey Judas

I'm a ghost now

Can we talk

Oh can't you hear me

Well the truth is

I'm alone now

With the words

You led me to believe

Ooh
