Don't be afraid of romance
Don't be so frightened, come on take a chance

Don't stop to question is this the real thing
Don't be afraid to let go
Don't run away till you know
Romance is best while you're young
That's when the sweetest of love songs are sung

That's when your daydreams are filled with moonlight
Don't be afraid when you start
You have nothing to lose but your heart
