Ooh, aah, Oo-oo-oo
Ooh, aah
I believe, I believe (x2)
Can you imagine the reason we're apart?
I just can't stand how we hurt each other's heart
Do you believe
Love is so weak?
bridge
I believe, I believe
That it's you and me
I believe, I believe
In a better world
I believe, I believe
That it's worth to keep
I believe, I believe
In a perfect love
chorus
Do you believe in the power of love?
(I believe)
Do you believe in the power of love?
(I believe, I believe)
Ooh, ahh, oo-oo-oo
Think of the time when the nightingales came by
We were so close and our feelings were so shy
Two of a kind
Make up your mind
bridge
chorus
Believe in love that will keep us on
Believe in words that keep us strong
Believe in things that just ain't wrong
Believe in life that's oh-so-long
Believe in the sun and the moon and the sky
Don't try to ask me why
Millions of stars are up in the sky...
That's why I believe
Ooh, aah, oo-oo-oo
Ooh, aah, oo-oo
(And I believe... I believe, I believe)
bridge
chorus
Do you believe in the power of love?

(I believe)
Do you believe in the power of love?
(I believe, I believe)
Yes I believe
