

Mr. President "Lovezone"

My heart is beating hot
And my knees are weak
My heart is beating hot
And my knees are weak

Take me to the lovezone
Take me to the lovezone
I wanna know all your mysteries
Take me to the lovezone
Take me to the lovezone
Is it a dream or reality
Is it you is it me
Or just my fantasy
Is it you is it me
It's got to be
Take me to the lovezone
I wanna go where the love has gone

What goes on inside of me
Everything turns upside down

My heart is beating hot
And my knees are weak
My heart is beating hot
And my knees are weak

Take my hand and follow me
Look into my eyes and see

My heart is beating hot
And my knees are weak
My heart is beating hot
And my knees are weak
