Right now man de ni a di studio
A drop 'nough lyric and thump 'nough beat
So everybody get up on your foot and get ready for
dance
Cause di man right here just ready to prance

Oops upside
Wave your hands from side to side
If you hear what I said
Jump in your car and take a ride

So here we go as you know now it's time to start the
show
Kicking rhymes as I flow
Sometimes quick or sometimes slow
So if you don't know me baby you can call me lazy
Cause I drive the young girls buck wild crazy
If you wonder how I do it
Listen up cause there's no secret
Cause when I'm in the house then I like to rock you,
lady
Now it's time to leave and you can't do without me
Cause all the ladies crying out : "Please undress me !"

Oops oh oh oh oh oh
Oops oh oh
Oops oh oh oh oh oh
Oops oh oh
From side to side
How I really do it girl I couldn't really tell ya
Cause maybe it's because I always try to flow for ya
Cause it ain't that then it must be my humour
It definitely ain't this dam perfuma

From side to side, yeah eh, from side to side
From side to side !
From side to side, oh oh, from side to side
From side to side !

Now I want everybody on the right side to do with me
And everybody on that side to do what they do, okay
It's time for you to party with us just right here on the

stage
So come on everybody just lift your voice
Here we go, here we go
Here we go oh oh

Right side, oh oh oh oh
Left side, oh oh
Right side, oh oh oh oh
Left side, oh oh
Right side
From side to side
