We livin it mexican every day.Drinkin' coronas
and smokin' some J.It's all good from Dago to L.A.
Every day I put it down for my raza.The mexicans,
drinkin' beer in my casa.You think I'm playin',
but right now I'm flat broke.No estoy jugando,this
shit ain't no joke.I need money and I need it fast.
So I can rent-a-bitch and she can suck it fast.when
she's done I stick it in her ass.And after that I
do it una ves mas.Soy mexicano and I'm brown and
proud.When I was little I used to drem of a croud.
Yeah, an audience.You know what I mean.I wanna
sing so I can make some green.I'm talkin' 'bout
dinero.Who cares about the fame.I want ferria.
Everything else stays the same.Me gustan las hynas
any way.I wanna fuck them every day.

(chourus)

Livin' it mexican,cada dia.

Livin' it like a cholo.

Simon that's my vida.I come
from el dos-uno -tres.L.A. that's
the best in the west.
