Thugs we back (hhhhhhhh)
What the math a fucker life gets live
Now let welcome to every body to show how I life
Run way from street to fuck street
Get side what we sail and smoke weed
Snatch book and hid the fuck feet
I watch from enemez there are fuck diesis
We are thug life in first look for peace
Now in guess book fuck how we say bad
We bad boys killer we stall say the true of my heart to
my shoes
Now kill now still no one things n hill
The better get dog friend no friend dog
Every body fread for me cuz I'm t.h.u.g
Some people thing thug can't give hug
No heart no soul no feels couz it is black
Fuck whit power thee math a fucker make me sick
Can say 123 comn bitches you don't want me sick my
dick
You dream in my face in day in nigh dream in mike
I back not for fight just say true c
C'mon math a fucker shows me what you gone do?
You call cups fuck cups if you fear to say the true fuck
you too
So many bitch say s_mike is blind I can see in my heart
Feel in fear happy and sad that fuck of human part
Fuck u.n fuck fbi fuck the whole boyz girls say we bad
in G.book
