Music: Bjorn A. Johansen & Aslak Janitz

Lyrics: Lene Vestrum

Please me  
Reach me  
Be the sun for a while  
To forgive the cloud  
Who made you fall for a while  
You'll learn how to climb

Would you fly again, would you fly again  
Would you cry again

Please me  
Reach me

Be my sun  
You'll learn how to climb

"How does it feel when the dark haunts you,  
when the tears you cry dries in,  
when the spring that made promises  
broke your golden dreams"

Would you fly again  
Could you try again  
Would you cry again  
Could you try again
