Make me a necklace of carnelian  
Buy me some ribbons for my hair  
I will change like a chameleon  
If you show me that you care

Take a deep breath of this virtue  
Remember who your princess is  
Your smile will be the guardian  
Of all my weaknesses

You are the keeper of my heart?  
Will you be what time has not forgot?  
When I have fallen from your grace  
Will you be what time cannot erase?

Will you be the keeper, baby?  
Will you hide the darkness deep?  
Will you be the keeper of my heart?

And I rest my gaze upon this ocean  
Buried deep inside your eyes  
I'm a slave to my emotions  
The innocence that lies

And when the winds of change have broken, baby  
Every battle, every bough  
Will your anger be unspoken  
On the twilight of this vow?

You are the keeper of my heart?  
Will you be what time has not forgot?  
When I have fallen from your grace  
Will you be what time cannot erase?

Will you be the keeper, baby?  
Will you hide the darkness deep?  
Will you be the keeper of my heart?

Will you be the keeper of my heart?  
Will you be what time has not forgot?  
When I have fallen from your grace  
Will you be what time cannot erase?

Will you be the keeper, baby?  
Will you hide the darkness deep?  
Will you be the keeper of my heart?

Will you be the keeper of my heart?  
Will you be what time has not forgot?  
When I have fallen from your grace  
Will you be what time cannot erase?

Will you be the keeper, baby?  
Will you hide the darkness deep?  
Will you be the keeper of my heart?

Will you be the keeper, baby?  
Will you hide the darkness deep?  
Will you be in my heart?
